

Electricity Vocab

Due Monday, February 23

- | | | | |
|-------------------------|------------------------------|-------------------------|-------------------------|
| 1. electron | 2. electric current | 3. voltage | 4. resistance |
| 5. static electricity | 6. conduction | 7. induction | 8. electrical conductor |
| 9. electrical insulator | 10. Ohm's Law | 11. battery | 12. series circuit |
| 13. parallel circuit | 14. electrical power | 15. circuit breaker | 16. fuse |
| 17. grounding | 18. magnetosphere | 19. electromagnet | 20. electric motor |
| 21. generator | 22. Alternating Current (AC) | 23. Direct Current (DC) | 24. transformer |
